Game Summary:

First Responders appears to have found their dormant offense and their team game as they won their second straight game, scoring the game's first three goals then pulling away late in the third period.

Cam-A-Lot continues to feel the effect of having their best franchise player out on IR, as they have lost three of their last four games, and continue to struggle finding offense. Where is the secondary scoring, and who else other than Lee Nogler can step up?

John Kelleher leads the offense for his team, scoring a hat trick while adding 1-assist, factoring in four of his team's five goals.

Eddie Chin hustles all game on the forecheck which pays off as he scores 1-goal and adds 2-assists.

Cappy plays a lot of minutes quarterbacking the defense, controlling the defensive zone, while getting into the offense setting up 2-goals.
