Game Summary:

Finally!!!! Capo-Zero stops their freefalling and rights that sinking ship putting an end to the their four game losing streak with a close defensive game. Even with the win, Capo-Zero needs to still generate more offense and score more goals. Time will tell.

Speaking of teams in freefall, Tommy Guns has now lost three games in a row, after storming out of the gates this season with a dominant offensive performance. With their loss, Tommy Guns drops all the way down to fourth place in the standings.

George Medeiros has his running legs going all game while scoring the game winner halfway in the third period, as he breaks a four game scoreless streak, with a big timely goal.

Joe Conary gets his team a big momentum boost as he scores for the second straight game, showing signs of life in his offense that could be the boast that his team needs down the stretch run to revive their dormant offense.

Mike Duggan scores his teams only goal, as he extends his point scoring streak to five games. If this team is going to break their freefall, they will need Mike to be their "go to" player on offense to spark this team's turnaround.

Goalie Dale McIsaac has another solid game in net for his team, stopping 25 out of 26 shots faced to give his team a chance to get back to winning games.
