Game Summary:

Barney & Friends, after an up and down season, finishes strong on a two game winning streak as they lock up the 3rd playoff seed, displaying their quick-strike explosive offense. This team will be a dangerous playoff opponent.

Phoenix Rising, after a very impressive start to their season going 7-1-1, has done a 180 and gone 2-4 as they finish as the number 2 playoff seed. If there is one team that will benefit from the playoff bye week, it is Phoenix Rising. Can they return to their early season dominance? Time will tell.

Leo "Gets" Trombley must have read the Forum to come to play locked in, as he scores a hat trick while setting up 3-goals (putting an end to that talk of missing his scoring chances).

Attention all goalies, don't look now but Mike Duggan is starting to heat up on offense, having another statement game with 2-goals and 3-assists. Timing is everything in the league and if Mike continues heating up it could pose some serious coverage problems for the rest of the league. After a mid-season scoring slump, Mike once again broke the 30-points barrier.

Paul Firicano, quiet for most of the season on offense, broke out offensively with his best game this season, scoring 1-goal while adding 2-assists.

Congratulations Matty Iannello finishing in the top three leading scorers on your remarkable comeback season, It wasn't a record but congratulations to Mike O'Neill on finishing in a three way tie for scoring the most goals this season.
