### Game Summary:

M\*A\*S\*H breaks open a close game in the second period in a rout, and never looks back as they stay hot, winning their third game in their last four played to jump back into fourth place in the standings.

Hammertime's point streak is short-lived as they can't keep the momentum going from their previous two games, not having their two best players on offense, unable to match the offense of their opponent, as they remain in the cellar.

Jon Brown leads the way on offense, scoring a hat trick, while scoring a goal in each period.

Finally Dave Norton is playing a big part in his team's scoring after a very slow non-productive start, with 1-goal and 2-assists, with five goals and five assists scored in his last three games.

Mark Stickney gets involved in the offense with 2-assists, generating some momentum in his Pink Shirt Challenge, with a big game.

Jamie Kehoe has also turned his season around on offense with 1-goal and 1-assist, as he climbs into second place in the defensemen scoring race, scoring eight points in his last five games.

Fill-in goalie Mike Viera shines in net and plays a very big role in his team's win, especially in the second and third periods.
