Game Summary:

One week after getting the smackdown on themselves in a blowout loss, Azores Express returns the favor to their opponent, taking advantage of a very bad game by the goalie, as they keep their hold of first place in the standings.

Barney & Friends scores the games first goal, but that is their only highlight as their goalie struggles big time. With the loss, Barney & Friends falls into the cellar with their second straight blowout loss, while in freefall losing four of their last five games.

Pedro Fontes takes advantage of the scoring feast with a breakout performance, scoring 5-goals, while adding an assist, as he makes a big jump in the leading scorers race.

Gino Tammaro is the playmaker for his team, leading the way, scoring 1-goal and setting up four others in the rout.

Dave Costa, playing more and more like the Dave Costa of old, plays some major minutes with his other three defensemen missing, and sets up four goals.
