Game Summary:

Interim captain Naz changes the focus of his team to put an end to the team's three game losing streak. Here's a vote to make Naz captain full time and bring a fresh new captain's perspective to that Black Hole team. Coach's Corner officially is now eliminated from the playoffs. Winless after 10 games played does them in. Does the team make a commitment to win their last two games, or do they throw in the towel? Eyes will be watching! Matt Farrell single-handedly returns from injury to change the momentum in the second period for his team, scoring 2-goals.

Mike Luise finally scores his first goal of the season when it matters, in overtime as the game winner, and sets up a goal.

Ray Dow does his part scoring 2-goals, including the tying goal with one second to play.

Luigi Derenzes sets up two goals, but now has to keep waiting another season to try winning his first jacket.....20 seasons and counting with no jacket!
