Game Summary:

Capo-Zero gets back to their winning ways with a solid all-around team performance, utilizing all three elements for success (timely goal scoring, shutdown defense, solid goaltending).

Poo Bears playing shorthanded, and missing their best player on offense, keeps the game close heading into the third period, but, can't generate enough consistent offense to counter their opponent. Rob Sheridan's absence again impacts this game.

Rookie Kevin Wilson, returns to the lineup as a full-time player, scoring 1-goal while adding 1-assist, duplicating his efforts in week 1.

Gino Tammaro scores the game's first goal while setting up another, extending his goal scoring streak to three games.

George Medeiros gets his offense going by scoring his first goal of the season and sets up another goal.

Goalie Dale McIsaac stops 28 out of 29 shots, making some timely saves in a close game.

Leo Trombley scores the only goal for his team.
